

Wednesday 14 September 2022

Dear Parents and Carers,

Welcome to the new school year.

I am delighted to welcome back all of our pupils this September and extend a warm 'hello' to our new starters this year: Aditya, Faizaan, Henok, Oliver, Albi, Lilly-May, Sophie, Jacob, and Jaydon. I am looking forward to seeing all the wonderful learning opportunities that will take place in the weeks and months ahead for all of our pupils.

We also have a few new staff who have started this term: Eva in 5B, Bethany in 2C, Emily in 2B, Jennifer in Outdoor learning and Eva in the main office. Hopefully, you will be able to meet them all and other families at the annual Macmillan Coffee morning this month. This event is being held on **Friday 30 September** from 10am-11am. Further details will follow from George, our food teacher.

Academisation

For those of you with long memories you may recollect that in my letter back in July 2021, I advised that the Governing Body had decided to join a Multi Academy Trust with The Central Learning Partnership Trust (CLPT). I can finally now report that all of the legalities of conversion have occurred and the date for conversion is 01 October 2022. They do say 'all good things come to those that wait' and I am optimistic that this is the case in this situation.

Yours sincerely

S Holden

Headteacher
